

Dear sir,

Herewith I send an application letter and Resume

I am a postgraduate who completed my masters in Commerce[Finance] and also done a 1year professional diploma in Logistics and Shipping

I had experience over the past 3years as a system operator(SAP) and HR executive in Perfetti Van Melle India PVT.LTD & Philips India PVT. LTD C&F agent Kerala Roadways(KRS) in Ernakulam.

I realize this CV that I submitted cannot explain my qualifications in depth therefore I really hope there is a chance of an interview in which I can explain the potential in me.
